

Downriver Arts & Crafts Holiday Sale

SATURDAY, Dec. 2nd 2017

10:00 A.M. ~ 4:00 P.M.

Location of event: Wayne County Community College Downriver Campus
Heinz C. Prechter Community Arts & Learning Center – Concourse Area
21000 Northline Road Taylor, Michigan

Downriver Arts & Crafts Holiday Sale is a one day partnership between Wayne County Community College and Downriver Arts and Crafts Guild.

Artwork & Crafts will be offered for sale. **ALL work must be created by artist or crafter. NO commercially made articles may be sold at this venue.** Downriver artisans will provide community education through art demonstrations. This is a great opportunity for the public to observe the high quality of arts and crafts that local artists have to offer the community.

Through cross organizational volunteerism, each group will have table space available to display and promote what their art group has to offer the public.

Wayne County Community College is hosting the event which utilizes their resources, highlights their campus, introduces a wide variety of art mediums and crafts and promotes public education.

Although this is a free venue, we ask that each participant make a **donation** (of their own choosing) to the Downriver Arts & Crafts Guild Scholarship Fund for use of table/s and the space. Your donation enables a graduating high school senior to pursue a degree in visual arts.

In order to maintain a high quality of art & crafts offered, this is a juried event. Please send 3 photos of your body of work /booth or table set up- this can be done by photos- hard copy or via email. You will be notified of acceptance into this event. A booth image is important for reference size and dimensions of your craft/art.

There will be postcards and fliers. If anyone would like to have an example of their arts & crafts on the postcards please send photos to Maureen Keast at mkeast1@aol.com as soon as you've sent in entry forms.

Although we promote this event on social media, newspapers and through the postcards and posters we need you to help promote this event. We have materials available for you. The best type of promotion for this event is word of mouth and by you inviting your family/friends/art followers. You can also contact Maureen Keast for postcards and fliers and this event will be on facebook, Eventbrite and in the newspapers.
